But George Ritzer, the author of class in society, social theory, and sociology. Home » Books and Videos » George Ritzer » Technology and Exchange, Journal of Media and Communication, Anthropology and Human.[Modern treatment of mycosis fungoides and the prospects for development]. The author summarizes the current treatment for mycosis fungoides and discusses the problems of new drug administration and genetic risk factors of tumor progression. He also reports on new treatment methods, including topical treatment and monoclonal antibodies. The author suggests that these new methods may prevent the patient from

suffering for many years, and that early treatment may improve survival. Clinical trials are needed to determine whether patients with mycosis fungoides who are younger, better educated and free of genetic risk factors can be cured by nontoxic new drugs.
